

LABEL CLIP FOR LC-XD
MAKING CABLE IDENTIFICATION EASIER

Features

- Easy application of the label to the clip
- Attaching of standard labels which can be created with standard label printers
- Labelling can be defined individually on site
- Subsequent labelling possible
- Defined label position and structured aesthetic
- Clip can also be attached to a coupled connector
- All features of the LC-XD connector are guaranteed
- Handling of push-pull function is not affected
- Compatible with all LC-XD uniboot connectors
- No need for expensive and special cable labels

Technical Data

General Data

| Characteristics | Values |
|------------------|-------------|
| Connector family | LC |
| Type | Duplex |
| Material | Plastic |
| Colour | Transparent |

Mechanical Data

| Characteristics | Values |
|---------------------------------|--------|
| Operating temperature min. (°C) | -40 |
| Operating temperature max. (°C) | 85 |

Environment Data

| Characteristics | Values |
|---------------------|----------|
| RoHS compliant | Yes |
| REACH compliant | Yes |
| Free of halogen | Yes |
| UV resistant | Yes |
| Flammability rating | UL 94 HB |
